Thoughtfully designed with custom craftsmanship and one-of-a-kind finishes throughout, this home offers a level of character and quality rarely found in today's market. Step into the GREAT ROOM, where large windows fill the space with natural light, perfect for relaxing or entertaining, stunning custom fireplace wall with floor-to-ceiling tongue and groove wood, and a handcrafted mantel that adds character and charm. The modern electric fireplace has customizable flame settings that add both comfort and contemporary style. The mud room or "DROP ZONE" space has convenient bins and a bench seat for organizing shoes, coats, backpacks and everyday essentials, keeping clutter at bay. THE KITCHEN IS STUNNING, featuring upgraded cabinetry, stainless steel appliances-including a THOR gas range and double oven with a designer stainless steel range hood for high performance ventilation, granite countertops, extra large pantry, dual purpose jumbo island with solid walnut-serving both as additional countertop space but also as a kitchen table. RETREAT TO THE SPACIOUS PRIMARY BEDROOM that has been updated with new paint, vaulted ceiling and a second modern electric fireplace with customizable settings. LUXURIOUS SPA-LIKE PRIMARY BATH with a freestanding soaking tub, oversized walk-in glass shower with rainfall head, custom tilework, vessel sink vanity, quartz counters, and an incredible built-in dressing area.
